Problems - we do
not always know
all of what we have -
.....
DND Cog Manual
System needs modernization
Study Team to ~~continue~~
study automation of glms
area.

2420 processing slow -
- Backup in paper processing
- Lack of continuity in PD

1984 Service Contracts
negotiations - slow
— - requires verbal
personal agreements between
the contractor & contractor to
keep the service going.

→ why can't we write
Service Contracts on more than
a fiscal year basis??

→ Personal services
Contracts vs. tech
support type contracts.

→ ratification of PD Contracts

- Supply Side →
- staging area for project supplies ???
 - project officers are Cag. Officers
allocations are not universally with
or being utilized to
an efficient
 - This Cag is labor intensive & manual,
 - ^{has} Log needs rather than participate in planning process -

→ Supply side water
well -

→ on procurement side not
Too good.

→ Service side -

2SD + AC
installations & ~~etc~~
environmental support →

→ problems obtaining
vehicles from motor
pool

→ alot of logistics matters
from club not yet involved
